

Southern Oregon Speedway Media Pass Waiver & Agreement

Requirements for Media Access

1. High-Visibility Apparel:

- All media members must wear a high-visibility vest or shirt. Apparel with "MEDIA" clearly printed is strongly preferred.

2. Restricted Areas:

- No access to the racing surface or infield while cars are active on the track.
- Media may only enter or exit the infield with an official or track staff member, and only during intermission or downtime (not during hot laps, heats, or mains).
- At all times during track activity, media must remain behind a barrier or fence.

3. Conduct & Awareness:

- Media personnel are expected to use good judgment and prioritize safety over content.
- Any individual behaving in a way that endangers themselves or others will be removed and may lose access to future events.

4. Social Media & Tagging:

- All media content posted to social platforms (photo or video) must tag or mention @SouthernOregonSpeedway on the relevant platform (Facebook, Instagram, TikTok, etc.).
- Commercial use of content requires prior written approval.

5. Media Use by Speedway:

- Southern Oregon Speedway reserves the right to request copies of media content captured on-site for use on Speedway-owned platforms, promotional materials, and advertising (digital or print).

Liability Waiver

Southern Oregon Speedway Media Pass Waiver & Agreement

By signing below, I acknowledge that motorsports can be dangerous and I assume all risks associated with being on or near the racing surface. I waive any and all liability claims against Southern Oregon Speedway, Southern Oregon Motorsports, its staff, sponsors, and Jackson County for injuries, loss, or damage incurred during my media participation.
